

Working for you

## Serving local people at Westminster

—helping people with individual problems and national issues

# Standing up for you

I work hard for local people answering hundreds of letters, emails and phone calls every week. In Parliament I have long opposed Labour's plans for a third runway at Heathrow, fought to save our local hospital services and fought against developments that threaten our quality of life. Gordon Brown's Labour government has bankrupted Britain; run up debts for generations to come; permitted too much immigration; denied British people a say on the EU's Lisbon Treaty and created a surveillance society where civil liberties are disappearing one after another.

Only a Conservative government can deliver the change our country desperately needs.

*John Randall*

### About John:

I've lived and worked in Uxbridge all my life. I live in Cowley with my wife, Kate, and our three children, where we attend St. Laurence's Church. In my spare time I enjoy birdwatching and sport. On expenses, the Telegraph called me a "saint".

**Fighting for Uxbridge & South Ruislip:** including Cowley, Hillingdon, Ruislip Gardens, Ruislip Manor, south Eastcote and Yiewsley.

*"Since becoming an MP I have worked hard for my constituents and our local area. If elected once more I will continue to do all I can to help anyone who needs my assistance. I will be accessible, approachable and honest in all my dealings. I will always stand up for what I believe is right."*
